

## Humble ISD Education Foundation 2002 Innovative Education Grant Program

The Humble ISD Education Foundation continued the success of their Innovative Education Grant program for the third year in a row. In May of 2002, eighty-seven grants were awarded a record total of **\$122,032**. These grants ranged from \$250 to \$5,944 and will benefit over **200 teachers** at twenty-one campuses. Over **12,300 students** will benefit from these funds. Below is a list of the grant winners for this year.

| <b>Primary Applicant</b> | <b>Campus</b> | <b>Title</b>   | <b>Amount</b> |
|--------------------------|---------------|--|---------------|
| Carolyn Mashburn         | All MS        | Writing Excellence with Traits Language                | \$3,340.00    |
| Chris Strzelecki         | AMS           | Creating History Alive Materials                       | \$600.00      |
| Mary Trichel             | AMS           | Can You Dig It?  | \$798.00      |
| Nicole Johnson           | AMS           | Project Einstruction                                   | \$4,045.00    |
| Pat Shirreffs            | AMS           | 2002 Math Odyssey with ALEKS                           | \$1,650.00    |
| John Baron               | AMS           | Kitchen Sink Science                                   | \$1,313.00    |
| Dana Story               | BBE           | Nonfiction is Fun!                                     | \$1,468.50    |
| Virginia Niewiadowski    | BBE           | Lights, Camera, Action                                 | \$479.87      |
| Jamie Lynn Hicks         | CATE          | Computer Technology: Student and Community Outreach    | \$5,950.00    |
| Kathy Bowers             | CATE,KHS      | Surgical Suite: COSI Electronic Education              | \$2,200.00    |
| Jan York                 | CMS           | Junior Geologists and the Conservation Connection      | \$304.35      |
| Jean Ann Johnson         | CMS           | History Alive - Contemporary World Cultures            | \$1,335.65    |
| Susan Lastrapes          | CMS           | All The World's A Stage                                | \$1,200.00    |
| John Worzel              | CMS           | Water Wise   | \$769.92      |
| Ellen SeEVERS            | CMS           | Literature Links                                       | \$742.50      |
| Vicki Logan              | CMS           | Dissection Without the Fear Factor                     | \$1,484.96    |
| Allison Tabor            | DE            | SuperGoo Alliance Project                              | \$2,350.00    |
| Carla Threadgill         | DE            | Algebra Becomes Child's Play with "Hands-on Equations" | \$897.00      |
